KEY TAGS

Sturdy Acrylic key tags just snap together or slip in for ease of assembly. The variety of larger key tags easily fit full or half size wallet photos, baseball or business cards. In most cases two photos may be inserted back-to-back. Our large assortment of smaller promotional key tags can be used with a photo from a mini-wallet or 4-shot camera. The products are made of durable acrylic and have hundreds of promotional and retail uses. Our easy to use cutting devices make the assembly of all key tags a snap.

CERAMIC PLATES

Our attractive Ceramic Plates are a new concept in ease of assembly. No long lead times, messy solvents, resins or expensive sealing equipment is needed. Simply place the cut photo behind the glass center section and insert the gold tension ring to lock the assembly securely together. Each plate is individually boxed and includes a sturdy easel stand and self-adhesive hook for wall mounting.
